TAIBA RAMZAN

Software Engineering Student | Full-Stack MERN Developer | Mobile App Developer | AI & Automation Enthusiast

Faisalabad, Pakistan • taibaramzan699@gmail.com

GitHub | LinkedIn

PROFESSIONAL SUMMARY

Software Engineering undergraduate at National Textile University with a strong interest in Full-Stack Web Development, Mobile Application Development, and AI-powered Automation. Experienced in building responsive web applications using the MERN Stack (MongoDB, Express.js, React.js, Node.js), developing RESTful APIs, and creating user-focused software solutions. Hands-on experience with Flutter, Firebase, Python, Gemini AI, and n8n workflow automation. Passionate about writing clean, maintainable code and solving real-world problems. Currently seeking internship and entry-level software engineering opportunities.

TECHNICAL SKILLS

Languages — JavaScript, Python, C++, C#, Dart, HTML5, CSS3

Frontend — React.js, HTML5, CSS3, JavaScript, Responsive Design

Backend — Node.js, Express.js, REST APIs

Databases — MongoDB, MySQL, Firebase Firestore

Mobile — Flutter, Firebase Authentication

AI & Automation — Gemini AI, n8n, Prompt Engineering

Tools — Git, GitHub, VS Code, Postman

EXPERIENCE

Frontend & Backend Developer Intern — March 2026 – Present

Softxcape Developers — Lahore, Pakistan / Liverpool, UK (Remote)

- Contributing to both frontend and backend development tasks, assisting the team in delivering high-quality web and software solutions.
- Gaining hands-on experience with modern development stacks and tools under the mentorship of experienced developers.
- Participating in client prospecting and business development activities alongside core technical responsibilities.

PROJECTS

- **SkillBot AI Chatbot** — Built an AI-powered chatbot using Python, Flask, Gemini AI, and REST APIs.
- **Skill Builder App** — Developed a mobile learning app with Flutter, Firebase, and Firestore.
- **n8n Automation Workflow** — Designed automated workflows using API integrations and n8n.
- **Blog Management System** — Built a responsive, full CRUD web platform for managing blog content.
- **Hostel Management System** — Developed a database-driven system for managing hostel operations.

EDUCATION

National Textile University, Faisalabad — 2023 – 2027

BS Software Engineering

CERTIFICATIONS & TRAINING

- **ACT AI — PM Youth Programme, HEC & NAVTTC (in collaboration with AI SkillBridge)** — Selected as one of the top 6,000 applicants nationwide, out of 80,000+, for this national AI training initiative. In Progress, 2026.
